

Good Afternoon,

Here are the most recent updates as of the afternoon of Wednesday, May 27th:

NLDA Afternoon Briefings

Publishing One Email Per Week – As of Wednesday May 27th, NLDA will publish one COVID-19 Member Update per week. If information changes substantially, we will go back to publishing one email per day.

Afternoon briefings will be sent out on Wednesdays moving forward.

You will still receive other important emails from the NLDA as needed. Please remember to check your inboxes for our emails.

N95 Mask Bulk Order

We have learned of another source for N-95 from Honeywell. The estimated time frame for delivery is 6-8 weeks and there needs to be a minimum order of 10,000 masks. The NLDA is happy to make the bulk order if the interest is there. [Click here](#) for the product sheet.

Please contact nfdental@nfld.net if you're interested in further details.

NLDA AGM

As you know, the NLDA's AGM will be held virtually through Zoom this year on June 4th at 6:00pm. You must RSVP to receive the link. **Email Amanda at**

amanda.nlda@nfld.net to **RSVP**.
