Good Afternoon,

Here are the most recent updates as of the afternoon of Wednesday, April 29th:

What we're working on now:

Government

Today the NLDA had our weekly meeting with Government and we received good news regarding the emergency teledentistry code for MCP patients. They have let us know that the code is being approved and will be retroactive from March 18th. This will be a brand new code and will only be available during the pandemic.

NLDA AGM

Our AGM is scheduled to be hosted on Thursday, June 4th at 6:00pm (NDT). This year's AGM will be held virtually through Zoom.

NLDA Webinars

Thank you to all who joined us for our second weekly webinar and thank you to our guest speaker, Denis Mahoney!

Next weeks webinar will be a Q & A. If you'd like to attend you must RSVP via email to amanda.nlda@nfld.net.
