

## **Daily COVID-19 Update to NSDA Members – Monday, May 25, 2020**

---

The NSDA will endeavour to provide a weekday COVID-19 update to members with short news bullet points in four identified areas.

- Return to Practice: pieces are all in place and all eyes and ears are on the Chief Medical Officer of Health
- Pandemic Insurance: expecting an update this week from CDSPI on the number of NSDA claims submitted and in process. We've heard anecdotally about more members being contacted on Friday past
- Government Support: Letters have been sent to all provincial MLAs and will now go to our assigned media contact dentists to arrange follow-up meetings; an announcement on tele-dentistry is forthcoming
- Other: CDA is working with the Canadian Life and Health Insurance Association (CLHIA) about claims for additional costs related to enhanced PPE requirements as dentists return to practice
