

Dental Aptitude Test ACKNOWLEDGEMENT and AGREEMENT FORM

DAT RULES

1. Prior to the commencement of the DAT Test examination series, all candidates will sign the Acknowledgement and Agreement indicating that they have read and understood the DAT Test Rules and agree to be bound by the same. Any candidate who refuses to sign the Dental Aptitude Test Acknowledgement and Agreement form shall not be permitted to participate in the subject examination.
2. All candidates shall obey the instructions of the test administrator/proctor regarding the seating of candidates, the conduct of and the time constraints of the tests and the treatment of test materials and documents and shall deliver up all test materials and documents before leaving the examination area.
3. Candidates must not attempt to obtain test answers from any other candidate during the test.
4. Candidates shall not knowingly assist any other candidate in answering the examinations and shall take all reasonable precautions necessary to prevent his or her answers from being seen by any other candidate.
5. It is the responsibility of the candidates to advise the test administrator/proctor immediately of the existence of test conditions that are inadequate to protect test security or otherwise unacceptable to the candidate. Failure to complain, will result in the assumption that test conditions were adequate. No complaint will be entertained relating to test conditions after the test.
6. In order to talk with the test administrator/proctor regarding a breach of test security or emergency, the candidate is advised to gain the test administrator/proctor's attention in a way that does not disrupt or disturb the other candidates. The test administrator/proctor will only deal with issues that involve a breach of security or emergency and will not comment or provide assistance with respect to the test contents. A recommended method would be for a candidate to remain quiet and seated while holding their arm in a raised position until a test administrator/proctor comes to their assistance.
7. No candidate shall talk or make distracting noises during the tests.
