Attention Dental Care Providers: New Electronic Data Interchange (EDI) number for a portion of GroupHEALTH clients

This is to inform you that effective November 1st, 2017, **some** GroupHEALTH clients will be covered under a new EDI: **000125**.

Please note that this change only affects a portion of GroupHEALTH clients and some clients will remain on the existing EDI 610099.

To ensure accurate submission and payment of all claims, when submitting a GroupHEALTH claim please confirm the EDI number on the client's benefits card (sample below), before submitting claims in your practice management software.

Questions:

If you have any questions about dental claims, please call GroupHEALTH's customer service centre at 1-877-542-4110.

Sincerely,

GroupHEALTH Client Services Team
