Clinical Dentist

Access Downtown Dental Program Centre for Community Oral Health

The University of Manitoba offers students and faculty a vibrant learning community, exceptional facilities and the chance to explore ideas, challenge assumptions and turn theory into reality. With more than 30,000 students, faculty, and staff, and over 90 degree programs, our university plays a key role in the social, cultural, and economic well-being of our community and our world.

The Centre for Community Oral Health (CCOH), Faculty of Dentistry is a not-for-profit organization that administers dental programs catering to underserved populations on behalf of the University of Manitoba. The Access Downtown Dental Program operates out of a primary healthcare clinic that caters to disadvantaged residents in the core of Winnipeg.

The dentist will be primarily responsible for leading a clinical team in providing high quality dental services to disadvantaged residents in Winnipeg's Point Douglas neighborhood. Point Douglas has the lowest average family income and highest unemployment in the province. The clinic serves a diverse clientele, many of whom face serious barriers to accessing oral healthcare services. The successful candidate will provide a wide range of clinical dental services, in accordance with existing professional and program standards, while striving to improve oral health status and access to care.

In addition to providing clinical dental care, the dentist will be responsible for supervision of senior dental and dental hygiene students while on community externship rotation. These community externship rotations are an important and mandatory component of the Manitoba educational experience.

This is a full-time continuing position; available immediately or as soon as possible. Hours of work are 8:30a.m. – 4:30p.m., Monday to Friday. Salary: Commensurate with qualifications and experience (range \$90,000 to \$125,000 per annum).

The University of Manitoba encourages applications from qualified women and men, including members of visible minorities, Aboriginal peoples, and persons with disabilities. All qualified candidates are encouraged to apply however, Canadians and permanent residents will be given priority.

Applicants eligible for Manitoba licensure should reply in confidence to: **Dr. Doug Brothwell, Director, Centre for Community Oral Health, University of Manitoba, Faculty of Dentistry, P128-780 Bannatyne Avenue, Winnipeg, MB R3E 0W2; Tel: (204) 789-3892; Fax: (204) 789-3991; E-mail: brothwel@cc.umanitoba.ca**

Application materials, including letters of reference, will be handled in accordance with the protection of privacy provisions of "The Freedom of Information and Protection of Privacy" (Manitoba). Please note that curriculum vitae may be provided to participating members of the search process.

Traditions of Excellence, Horizons of Change

FACULTY POSITION IN DENTAL PUBLIC HEALTH AVAILABLE
Department of Dental Clinical Sciences

The Faculty of Dentistry, Dalhousie University, Halifax, Nova Scotia, is seeking applications for a full-time, probationary tenure-track position at the rank of Assistant Professor in the Department of Dental Clinical Sciences commencing July 1, 2009. The position requires a minimum Masters degree in Dental Public Health, plus experience in preventive dentistry, dental practice, teaching, and research.

The successful candidate will assume the leadership role in working with the Faculty of Dentistry, including the School of Dental Hygiene, to develop a Faculty program in Preventive and Community Dentistry and Population Health. In addition, the successful candidate will take a leadership role in development and conduct of the Faculty's expanding outreach program and participate in the Faculty's commitment to Interprofessional Health Education in cooperation with the University health professions. It is expected that the successful candidate will pursue a complete academic career comprised of the elements of teaching, research, and service.

Candidates must be eligible for licensure to practice Dentistry in the Province of Nova Scotia. There will be the opportunity for one day per week of private practice.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Dalhousie University is an Employment Equity/Affirmative Action employer. The University encourages applications from qualified Aboriginal people, persons with a disability, racially visible persons and women.

Dalhousie University is one of Canada's leading teaching and research universities, with four professional Faculties, a Faculty of Graduate Studies and a diverse complement of graduate programs. The university is affiliated with several teaching hospitals that provide tertiary medical and dental care to a region of 1.8 million, and is also home to the Institute for Research in Materials (IRM) that facilitates collaborative materials research efforts and manages an \$8.6 million Materials Characterization Facility. Dalhousie is located in Halifax, an international port city of 350,000 known for its beauty, history, cultural sophistication and vibrant nightlife. The capital of Nova Scotia, it is the business, academic, and medical centre for Canada's east coast.

Review of applications will begin immediately with hope of filling the position by July 1, 2009. Applications will be accepted until May 31, 2009 or until the position is filled. Applicants should submit a letter of application with Curriculum Vitae, two or three reprints of research publications, and three letters of reference, under separate cover by the referees to:

DENTIST CONTRACT

Whitehorse, Yukon

The Opportunity

A once in a lifetime opportunity to create a lifestyle in one of Canada's most vibrant cities located in our pristine north. A low stress working environment with guaranteed earnings.

The Work Environment

Set weekday-only hours. No supplies, maintenance or equipment costs. Hygienist and dental receptionist provided. A minimum of eight weeks of vacation time. Limited administrative responsibilities. Generous compensation.

The Facility

A fully modern facility located in downtown Whitehorse. Established in 2005 to improve services for First Nations and Inuit clients, the clinic is equipped with the latest equipment including digital radiography and the most recent version of ABLEdent software – all provided by Health Canada.

The Location

Whitehorse offers the best of all worlds – large city conveniences with a small town feel. Many cultural events and outdoor activities. A great place for individual adventure or to raise a family.

The Ideal Candidate

Licensed to practice dentistry in Canada with a commitment to providing quality care. Experience working with First Nations and Inuit clients and experience working in a public health environment a plus.

The Commitment

Contract has a value of more than \$900,000 for its three year commitment. Dentist must provide their own dental assistant.

For more information, call
1-888-332-9222 or email at
Whitehorse_Dentist@hc-sc.gc.ca.
Please apply by April 30, 2009.

DENTISTE CONTRACTUEL

Whitehorse, Yukon

L'offre

Une occasion unique d'adopter un nouveau style de vie dans une ville des plus dynamiques, au cœur des espaces inaltérés du Nord canadien. Un milieu de travail peu stressant et des revenus garantis.

L'environnement de travail

Un horaire fixe, de semaine seulement. Aucuns frais liés aux fournitures, à l'entretien ou aux équipements. Les services d'une hygiéniste et d'une réceptionniste sont fournis. Un minimum de huit semaines de congé annuel. Des obligations administratives limitées. Un salaire généreux.

Les installations

Le titulaire du poste pratiquera dans un établissement moderne situé au centre-ville de Whitehorse. La clinique a ouvert ses portes en 2005, dans le but d'améliorer les services offerts aux clients inuits et des Premières nations. Elle est dotée d'équipement de pointe – dont un système de radiographie numérique et la plus récente version du logiciel ABLEdent – entièrement fourni par Santé Canada.

La ville

Whitehorse offre le meilleur de deux mondes : les avantages d'une grande ville combinés à l'ambiance d'une petite ville. Un grand nombre d'activités culturelles et d'activités de plein air. Un milieu idéal pour vivre une aventure personnelle ou pour élever une famille.

Le candidat idéal

Le candidat idéal est autorisé à pratiquer la médecine dentaire au Canada et est déterminé à offrir des soins de qualité. Une expérience de travail auprès des clientèles inuites et des Premières nations ainsi qu'une expérience dans le domaine de la santé publique constituent des atouts.

L'engagement

La valeur du contrat est de plus de 900 000 \$ pour un engagement de trois ans. Le dentiste doit embaucher son propre assistant dentaire.

Pour obtenir de plus amples renseignements,
appelez au **1-888-332-9222**
ou envoyez un courriel à l'adresse
Whitehorse_Dentist@hc-sc.gc.ca.
Les dossiers de candidature doivent être
remis au plus tard le 30 avril 2009.

D6150
