Chair and Associate Dean, Department of Dentistry

The Faculty of Medicine and Dentistry, University of Alberta, invites application to a full-time academic tenured position as Chair, Department of Dentistry and Associate Dean, Dentistry. A dynamic, visionary leader is sought who can build on the successful merger of the Faculty of Dentistry with Medicine and lead the new Department of Dentistry in the 21st Century. The candidate will be responsible for the Department's undergraduate programs in Dentistry and Dental Hygiene, the graduate program in Orthodontics as well as MSc and PhD programs in cooperation with the Medical Sciences Graduate program. The successful candidate will be a nationally or internationally recognized, established clinician/investigator with a DDS degree, and be eligible for licensure in the province of Alberta. The individual will have a proven management record, provide dynamic and innovative leadership and be committed to increasing the

Department's research and clinical profile. Opportunities exist for the establishment of new initiatives, the development of research themes, and the recruitment of faculty.

The start date for this position is January 1, 2004, but an earlier date may be considered. Interested candidates should submit a curriculum vitae and letter outlining their current research interests and proposed future directions together with the names and addresses of three referees by June 30, 2003 to:

Dr. D. Lorne J. Tyrrell
Dean, Faculty of Medicine and Dentistry
University of Alberta
2J2 WC Mackenzie Health Sciences Centre
8440 – 112 Street
Edmonton, Alberta, Canada T6G 2R7

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. If suitable Canadian citizens or permanent residents cannot be found, other individuals will be considered. The University of Alberta hires on the basis of merit. We are committed to the principle of equity in employment. We welcome diversity and encourage applications from all qualified women and men, including persons with disabilities, members of visible minorities, and Aboriginal persons.

WHAT A TEAM!

ROI Corporation is the largest assembly of professionals who are dedicated to the Appraisal & Sale of your practice. If you are considering a strategic change within your practice, call your ROI Corporation associate first. Over 3,000 of your colleagues have since 1974

Appraisal

The appraisal has become an essential tool for the practice owner. The appraisal will assist you, the purchaser, the bank, the accountants and the lawyers to make informed decisions. Practices are almost always sold with the aid of a professional, and comprehensive appraisal. Appraisals have a typical lifespan of 1 to 5 years.

Brokerage

Canada wide we have dozens of practices for sale. Our team of 10 associates (5 of whom are licenced dentists) is available for private consultations. We suggest that you make arrangements for an after-hours appointment so that we may better understand your practice, your future plans, or your unique circumstances.

Practice Preservation

In the event of a sudden death or disability, it is important to have an appraisal with your valuable documents. Waiting for a complete appraisal to be performed in this time of need can decrease the sale price of your practice. Appraisals can be updated quickly at little or no cost. Call for a free copy of our Practice Preservation package.

Seminars

We have over 25 seminars in 2003, suitable for everyone ranging from the established dentist to the recent graduate. TOPICS: 1. Tips for buying and selling a practice. 2. Exiting ownership profitably. 3. Locum Lifestyle™ – Part-Time Dentistry for life with freedom from ownership.
