WHAT A TEAM!

ROI Corporation is the largest assembly of professionals who are dedicated to the Appraisal & Sale of your practice. If you are considering a strategic change within your practice, contact your ROI Corporation associate first. Over 3,000 of your colleagues have since 1974. roi@roicorp.com • www.roicorp.com

Appraisal

The appraisal has become an essential tool for the practice owner. The appraisal will assist you, the purchaser, the bank, the accountants and the lawyers to make informed decisions. Practices are almost always sold with the aid of a professional, and comprehensive appraisal. Appraisals have a typical lifespan of 1 to 5 years.

Brokerage

Canada wide we have dozens of practices for sale. Our team of 10 associates (4 of whom are licenced dentists) is available for private consultations. We suggest that you make arrangements for an after-hours appointment so that we may better understand your practice, your future plans, or your unique circumstances.

Practice Preservation

In the event of a sudden death or disability, it is important to have an appraisal with your valuable documents. Waiting for a complete appraisal to be performed in this time of need can decrease the sale price of your practice. Appraisals can be updated quickly at little or no cost. Call for a free copy of our Practice Preservation package.

Private Consultation

When you want to know how to exit dental practice ownership with dignity and profitably, call your ROI Corporation associate to arrange a private consultation. We have provided this service to thousands of your colleagues since 1974. When you are considering a strategic change within your practice, call ROI Corporation.
