VANCOUVER, B.C. CANADA

Foster Excellence in Pediatric Dentistry

BC's Children's Hospital (BCCH) cares for the province's most acutely ill or injured children, provides developmental and rehabilitation services to children throughout BC, and offers a broad range of health services. BCCH also operates a wide number of specialized health programs, educates and trains students in a variety of health professions, and conducts research to advance health and care through the B.C. Research Institute for Children's & Women's Health and in partnership with the University of British Columbia.

In our progressive and energizing environment, you will find a rewarding career infused with the resources and experience of an internationally recognized health facility. Here, you will be encouraged to make the most of your talents and inspired to deliver excellence every day. Join us in this specialized, one-of-a-kind role and discover a unique opportunity to advance your patient care skills whilst developing those of others.

DEPARTMENT HEAD, PEDIATRIC DENTISTRY

This exclusive opportunity calls for an accomplished leader to provide direction to the department and ensure the realization of its objectives. Central to your responsibilities will be maintaining the delivery of primary and comprehensive preventive and therapeutic oral health diagnosis, care and consultative expertise for infants, children and adolescents. Your knowledge and outstanding leadership skills will come into play as you ensure the consistent delivery of quality minor oral surgery, oral/maxillofacial surgery, and emergency oral health care services. An important component of your role will be to ensure that the department continues to provide educational opportunities to dental and medical students and fosters a Pediatric Dental Residency Program. Continued research to advance the knowledge and effectiveness of dentistry is also an aspiration of the department which you will need to support.

In addition to continuing to expand services to meet oral health care needs that cannot be met in the community, you will also explore the conceivability of establishing a graduate training program in Pediatric Dentistry at the hospital. This includes implementing a teaching and service faculty for the Dental Department in various subspecialties and establishing new Pediatric Dentistry positions to support teaching, service and research.

Through a successful professional background gained in a similar setting, you have attained an extensive knowledge of pediatric dentistry and are familiar with all aspects of effectively and efficiently running a department. Your education includes a relevant degree and is augmented by at least ten years of senior level management experience. A key component of your success

is your proven ability to develop, implement and direct innovative, quality programs and services.

Become one of our recognized pediatric leaders and excel in this rewarding clinical and research based role. Internationally renowned for physician placements, we welcome your enquiry to explore the opportunities we have to offer. Competitive compensation package offered including relocation assistance. Please forward your curriculum vitae, and all relocation or general enquiries in confidence and quoting the position title, to: **Judy Clark, Corporate Practice Leader, Recruitment, Retention & Recognition**, by May 21, 2004, at BC's Children's Hospital, Human Resources, Room S213, 4480 Oak Street, Vancouver, B.C. V6H 4C9 Fax: 604-875-2599 or E-mail: physicians@cw.bc.ca For more information about our Pediatric Dentistry Department please contact **Dr. Geoffrey Blair, Head Section of Surgery** at gblair@cw.bc.ca
