Periodontist and oral surgeon plus anesthesiologist schedule regular clinics in the office. In an area of exceptional natural beauty with outdoor recreation and wilderness adventure opportunities moments away, yet multiple daily flights to Vancouver provide easy access to city getaways. Our flexible practice may be the perfect fit for you if you are just starting out and seeking opportunities to learn new skills, or if you would like to slow down and enjoy a lower-stress lifestyle. Preference given to applicants willing to make a longer commitment, but shorter-term or part-time arrangements could be considered. For more information, please contact: Bonnie Olson, tel. (250) 638-0841. D1547

NOBEL BIOCARE CHAIR IN PROSTHODONTICS AND HEAD OF DISCIPLINE OF PROSTHODONTICS

Professor/Associate Professor

The Faculty of Dentistry, University of Toronto, invites applicants for a full-time professorial position as the Nobel Biocare Chair in Prosthodontics and Head of the Discipline of Prosthodontics within the multidisciplinary Department of Clinical Sciences. The primary responsibilities of the person selected will be to direct the graduate and undergraduate programs in prosthodontics, develop an independent and innovative research program encompassing multidisciplinary research teams associated with the Faculty's Dental Research Institute. The candidate will be engaged in undergraduate and graduate teaching programs of the Faculty. Applicants must comply with the following requirements: (i) have an advanced research degree, preferably a Ph.D. (or equivalent), and evidence of international calibre research accomplishments as a principal investigator in an area related to prosthodontics; (ii) have teaching experience and clinical expertise in prosthodontics; and (iii) successfully completed a graduate program in prosthodontics, preferably CDA or ADA accredited. Eligibility for fellowship in prosthodontics in the Royal College of Dentists of Canada is preferred.

Rank, tenure status, and salary would be commensurate with the candidate's qualifications and academic accomplishments. Extramural private practice privileges are permitted 1 day per week.

Applicants should arrange for three reference letters, as well as a detailed curriculum vitae, to be received by December 1, 2004 at the following address:

**Professor Daniel Haas, Associate Dean, Department of Clinical Sciences
Faculty of Dentistry, University of Toronto
124 Edward Street, Toronto, Ontario M5G 1G6**

For additional information regarding the position please contact Dr. D. Haas, telephone (416) 979-4922, ext. 4577, e-mail daniel.haas@utoronto.ca

The University of Toronto is strongly committed to diversity within its community. We especially welcome applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to further diversification of ideas. All candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

RESTORATIVE DENTISTRY OPERATIVE DENTISTRY

The Faculty of Dentistry invites applications for two full-time positions in the Department of Oral Health Sciences.

1. RESTORATIVE DENTISTRY

The Faculty of Dentistry invites applications for a full-time tenure track position in the Department of Oral Health Sciences. Applicants should preferably have postgraduate training in restorative dentistry and research experience at the Ph.D. level or the equivalent. The successful applicant will be expected to participate fully in teaching of restorative dentistry in the undergraduate and graduate dental curriculum, research and service. Preference will be given to individuals who participate in active research areas in the Faculty.

2. OPERATIVE DENTISTRY

The Faculty of Dentistry invites applications for a full-time Clinical Assistant Professor position in the Department of Oral Health Sciences. Applicants should have postgraduate training in restorative/operative dentistry and preferably clinical research experience. The successful applicant will be expected to participate fully in teaching of operative dentistry in the undergraduate and graduate dental curriculum, in clinical research and Faculty service. Preference will be given to individuals who can participate in the active service and/or research areas in the Faculty.

University of British Columbia (UBC) hires on the basis of merit and is committed to employment equity. We encourage all qualified persons to apply for the positions; however, Canadian citizens and permanent residents will be given priority. Please respond by November 15, 2004 with curriculum vitae and contact addresses of three referees to:

**Dr. Virginia M. Diewert
Head, Department of Oral Health Sciences
Faculty of Dentistry, UBC

For more information contact: Dr. George Christodoulou, Altima Dental Canada, tel. (416) 785-1828, ext. 201, e-mail drgeorge@altima.ca. D1269

WHAT A TEAM!

ROI Corporation is the largest assembly of professionals who are dedicated to the Appraisal & Sale of your practice. If you are considering a strategic change within your practice, contact your ROI Corporation associate first. Over 3,000 of your colleagues have since 1974.

Phone: 905-820-4145

E-mail: roi@roicorp.com

Web: www.roicorp.com

Appraisal

The appraisal has become an essential tool for the practice owner. The appraisal will assist you, the purchaser, the bank, the accountants and the lawyers to make informed decisions. Practices are almost always sold with the aid of a professional, and comprehensive appraisal. Appraisals have a typical lifespan of 1 to 5 years.

Brokerage

Canada wide we have dozens of practices for sale. Our team of 10 associates (4 of whom are dentists) is available for private consultations. We suggest that you make arrangements for an after-hours appointment so that we may better understand your practice, your future plans, or your unique circumstances.

Practice Preservation

In the event of a sudden death or disability, it is important to have an appraisal with your valuable documents. Waiting for a complete appraisal to be performed in this time of need can decrease the sale price of your practice. Appraisals can be updated quickly at little or no cost. Call for a free copy of our Practice Preservation package.

Private Consultation

When you want to know how to exit dental practice ownership with dignity and profitably, call your ROI Corporation associate to arrange a private consultation. We have provided this service to thousands of your colleagues since 1974. When you are considering a strategic change within your practice, call ROI Corporation.
