Tenure Track Faculty Position in Oral/Maxillofacial Surgery College of Dentistry University of Saskatchewan

The College of Dentistry invites applications from qualified individuals for a faculty position in oral/maxillofacial surgery. The college is implementing an active program of curriculum renewal, faculty renewal, and research intensification. This position is a key part of that process. Start date is July 1, 2006 or when a suitable candidate is found. Responsibilities and duties include didactic and clinical instruction of undergraduate students in oral/maxillofacial surgery, an ongoing research commitment, and college administration. The applicant must have relevant postgraduate and clinical qualifications at the FRCD(C) or equivalent level and research experience. Possession of an advanced degree is desirable. The MD degree would be an asset. The ideal candidate will be from a CDA/ADA-approved oral/maxillofacial surgery residency program with significant experience in dentoalveolar and orthognathic surgery, TMD, anaesthesia, implantology, pathology and trauma management. On-site private practice privileges are available. The Royal University Hospital and College of Medicine are adjacent to the College of Dentistry and the successful candidate is expected to become involved with programs and initiatives in these institutions. Rank and salary will be commensurate with experience and qualifications. The university is committed to employment equity. Members of designated groups (women, Aboriginal people, people with disabilities and visible minorities) are encouraged to self-identify on their applications. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Further information about our college and its programs are available at www.usask.ca/dentistry.

A letter of application, accompanied by a curriculum vitae, professional credentials, a statement of teaching and research interests, and three references should be sent to:

Dr. James E. Stakiw
College of Dentistry, University of Saskatchewan
105 Wiggins Road, Saskatoon, Saskatchewan S7N 5E4
Tel. (306) 966-5122 • Fax (306) 966-5132
E-mail james.stakiw@usask.ca

Applications with complete documentation will be accepted until January 31, 2006 or until a suitable candidate is found.

GENERAL DENTIST

Grenfell Regional Health Services invites applications for the position of permanent general dentist on a full-time basis for northern Newfoundland and southern Labrador, effective April 1, 2005. This is a challenging and interesting area where dental services are provided from regional bases in Newfoundland and travelling clinics on the south Labrador coast. The travelling requirement is approximately 1/3 of the total working time.

Salary for this position is on an 11 point government scale of \$75,433-\$94,916. Initial placement on this scale will be dependent on years of experience. An isolation bonus payment ranging from \$5,000-\$10,000 will be payable upon the completion of 1 full year of service. Currently, a retention incentive of \$10,000 annually, payable bi-weekly, is also in effect.

Fringe benefits include 6 weeks paid leave in a 12 month term. Assistance with relocation and continuing education costs are available. Accommodations are available at a reasonable rate.

Applicants must be eligible for registration with the Newfoundland and Labrador Dental Board. Preference will be given to applicants who are agreeable to working for a minimum 24 month term. Experience in oral surgery is desirable. Experience in general dentistry is essential.

Successful applicant will be required to submit a Certificate of Conduct.

Interested individuals are requested to submit resumes, along with names and addresses of referees, stating competition number, 05.03, to:

Dunedin, New Zealand

**Lecturer/Senior Lecturer in
Dentistry - Oral Health**
(Confirmation Path) (Two Positions)

**Department of Oral Sciences
School of Dentistry**

Applications are invited for a full-time, confirmation path, position of Lecturer/Senior Lecturer in Oral Health.

Several years ago, the School introduced degree and diploma programmes in Dental Hygiene and Dental Therapy. In addition, a post-graduate diploma in Dental Therapy was also introduced. The Faculty is currently reviewing its programmes in Dental Hygiene and Dental Therapy with a view to introducing a 3-year undergraduate degree programme in Oral Health, which will combine the undergraduate education of the two existing programmes.

The appointee will be responsible for teaching and contributing to the course development and implementation of the new Oral Health degree, in addition to contributing to the current programmes, as they are phased out, and be actively engaged in research.

The appointee should hold qualifications registerable by the Dental Council of New Zealand either as a dentist or dental therapist. The applicant will also be expected to have a clinical, teaching background and the ability to initiate and conduct research.

The applicant will be expected to commence duties on 1 February 2006.

Specific enquiries may be directed to Professor J A Kieser, Head of Department, Department of Oral Sciences, School of Dentistry, Tel 64 3 479 7083, Email jules.kieser@dent.otago.ac.nz

Reference Number: A05/162. Closing Date: Friday 9 December 2005.

APPLICATION INFORMATION
With each application you must include an application form, an EEO Information Statement, a covering letter, contact details for three referees and one copy of your full curriculum vitae. For an application form, EEO Information Statement and a full job description go to: www.otago.ac.nz/jobs Alternatively, contact the Human Resources Division, Tel 64 3 479 8269, Fax 64 3 479 8279, Email karen.sutherland@stonebow.otago.ac.nz
