UNITED STATES:

Practice ownership opportunities! Affordable Care Inc. (ACI) offers a unique business model that allows dentists to own a dental practice with no personal financial investment. ACI develops general dentistry practices for dentists who choose to affiliate. ACI manages the traditional "headache" areas of business operations, marketing, payroll, human resources and more. You're free to focus on what you do best... delivering high-quality patient care! ACI provides practice management services to over 110 affiliated dental practices in over half the U.S. These general practices, each owned by an individual dentist, focus on full and partial dentures, extractions, relines, repairs and a niche market, providing Sendax MDI implants. Each practice enjoys the service of a dedicated on-site dental laboratory, enabling same day service in most cases. We are currently identifying dentists who have interest in affiliated ownership of a practice modeled after this growing, progressive, highly successful practice model with a 30-year history. Learn more about how you can capture this opportunity earning more than you ever thought possible while building equity into your practice for retirement. All with no financial investment from you! I urge you to call us today for details of these outstanding opportunities. Available locations include: Minneapolis,

Rochester and Duluth, Minnesota; Milwaukee, La Crosse and Wausau, Wisconsin; Cleveland, Ohio; Utica, New York, Las Vegas and Reno, Nevada; Phoenix and Tucson, Arizona; Chico Redding and Fresno, California; Eugene and Medford, Oregon; Spokane, Washington; Traverse City, Michigan; Hartford, Connecticut; Wichita and Topeka, Kansas and Tallahassee, Florida. Tenure Track Faculty Position in Community Dentistry/Public Health College of Dentistry University of Saskatchewan

The College of Dentistry invites applications from qualified individuals for a faculty position in community dentistry/public health. The College of Dentistry is implementing an active program of curriculum renewal, faculty renewal, research intensification, and community outreach. The successful candidate will be an integral part of this process. Responsibilities will include teaching and coordination of the undergraduate academic program in community oral health in all its aspects. A significant part of this position will be devoted to the development of outreach programs that will include provision of oral health care but will include the development of a total community awareness initiative that will provide students with an in depth understanding of the community that each practitioner will ultimately serve. This outreach engagement will also include international programs that have been part of the college for over 25 years. There will be ample scope within this appointment to engage in and initiate active research programs within the college and the interdisciplinary health sciences. Participation in the Masters of Public Health graduate program now under development at the university is encouraged. The candidate should have significant and successful experience in community health or oral health programs and initiatives and bring to the college an enthusiasm for furthering and enhancing the role and profile of the college in the community. The candidate should have an advanced degree in dental public health or equivalent at the Masters or PhD level. Rank and salary will be commensurate with experience and qualifications. The university is committed to employment equity. Members of designated groups (women, Aboriginal people, people with disabilities and visible minorities) are encouraged to self-identify on their applications. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Further information about our college and its programs is available at www.usask.ca/dentistry.

A letter of application, accompanied by a *curriculum vitae*, professional credentials, a statement of teaching and research interests, and the names of three referees should be sent to:

Dr. James E. Stakiw

Applications with complete documentation will be accepted until April 30, 2005 or until a suitable candidate is found. D1671

GENERAL DENTIST

Grenfell Regional Health Services invites applications for the position of permanent general dentist on a full-time basis for northern Newfoundland and southern Labrador, effective April 1, 2005. This is a challenging and interesting area where dental services are provided from regional bases in Newfoundland and travelling clinics on the south Labrador coast. The travelling requirement is approximately 1/3 of the total working time.

Salary for this position is on an 11 point government scale of \$75,433-\$94,916. Initial placement on this scale will be dependent on years of experience. An isolation bonus payment ranging from \$5,000-\$10,000 will be payable upon the completion of 1 full year of service. Currently, a retention incentive of \$10,000 annually, payable bi-weekly, is also in effect.

Fringe benefits include 6 weeks paid leave in a 12 month term. Assistance with relocation and continuing education costs are available. Accommodations are available at a reasonable rate.

Applicants must be eligible for registration with the Newfoundland and Labrador Dental Board. Preference will be given to applicants who are agreeable to working for a minimum 24 month term. Experience in oral surgery is desirable. Experience in general dentistry is essential.

Successful applicant will be required to submit a Certificate of Conduct.

Interested individuals are requested to submit resumes, along with names and addresses of referees, stating competition number, 05.03, to:

**Tenure Track Faculty Position in
Oral/Maxillofacial Surgery
College of Dentistry
University of Saskatchewan**

The College of Dentistry invites applications from qualified individuals for a faculty position in oral/maxillofacial surgery. The college is implementing an active program of curriculum renewal, faculty renewal, and research intensification. This position is a key part of that process. Start date is July 1, 2005 or when a suitable candidate is found. Responsibilities and duties include didactic and clinical instruction of undergraduate students in oral/maxillofacial surgery, an ongoing research commitment, and college administration. The applicant must have relevant postgraduate and clinical qualifications at the FRCD(C) or equivalent level and research experience. Possession of an advanced degree is desirable. The MD degree would be an asset. The ideal candidate will be from a CDA/ADA-approved oral/maxillofacial surgery residency program with significant experience in dentoalveolar and orthognathic surgery, TMD, anesthesia, implantology, pathology and trauma management. On-site private practice privileges are available. The Royal University Hospital and College of Medicine are adjacent to the College of Dentistry and the successful candidate is expected to become involved with programs and initiatives in these institutions. Rank and salary will be commensurate with experience and qualifications. The university is committed to employment equity. Members of designated groups (women, Aboriginal people, people with disabilities and visible minorities) are encouraged to self-identify on their applications. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Further information about our college and its programs is available at www.usask.ca/dentistry.

A letter of application, accompanied by a *curriculum vitae*, professional credentials, a statement of teaching and research interests, and the names of three referees should be sent to:
