FACULTY POSITION DIVISION OF PROSTHODONTICS

The Faculty of Dentistry, Dalhousie University, Halifax, Nova Scotia, is seeking applications for a full-time, term appointment possibly leading to a tenure-track faculty position at the rank of Assistant, Associate or Full Professor, in the Division of Prosthodontics in the Department of Dental Clinical Sciences. Qualified candidates may be considered for a tenure-track position and the position of Division Head of Prosthodontics. The Division of Prosthodontics includes Operative Dentistry, Fixed, Removable, and Implant Prosthodontics. The Division Head reports to the Department Chair.

Responsibilities will include undergraduate and graduate teaching, collaborative research, continuing education presentations and associated administrative duties. The Division collaborates with the School of Biomedical Engineering in graduate teaching and research, and also with other Divisions, Departments, Faculties and Universities.

Academic rank will be based on the successful candidate's qualifications, experience, and achievements. It is expected that the successful applicant will have graduated from an accredited specialty program, or a non-accredited specialty program and hold a Ph.D. The successful applicant will also have demonstrated experience in research, undergraduate and graduate teaching, and administration. Salary and rank will be commensurate with qualifications and experience.

The successful applicant must be eligible for licensure in Nova Scotia. Private practice privilege is integrated with the appointment.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Dalhousie University is an Employment Equity/Affirmative Action employer. The University encourages applications from qualified Aboriginal people, persons with a disability, racially visible persons, and women.

Dalhousie University is one of Canada's leading teaching and research universities, with four professional Faculties, a Faculty of Graduate Studies and a diverse complement of graduate programs. Collaborative and interactive research is encouraged, as is cooperation in teaching among the Faculties. We inspire students, faculty, staff, and graduates to make significant contributions to our region, Canada, and the world. Dalhousie is located in Halifax, Nova Scotia; it is a vibrant capital city, and the business, academic, and medical centre for Canada's east coast.

Review of applications will begin in March 2005. Applicants should submit a letter of application with Curriculum Vitae, up to three reprints of research publications and the names, addresses, and internet addresses of three referees to:

With the teaching hospitals of The University of Western Ontario, the School also offers a dental fellowship program (4 students per year). Major expansion of the Dental Sciences Building was completed in 2002, and comprehensive renovation of the main clinic has begun. The School of Dentistry has a strong tradition of excellence in undergraduate dental education and has research strengths in mineralized tissue biology (<http://www.fmd.uwo.ca/research/Skeletal-web/>) and dental biomaterials.

The Director will be responsible for all academic and clinical programs of the School. S/he will maintain strong relationships with alumni, community partners and other units in the Faculty of Medicine & Dentistry. The Director is expected to provide visionary leadership in renewal of the academic programs, enhancement of scholarly activities and recruitment of additional faculty. For further information, please visit <http://www.fmd.uwo.ca/dentistry>.

With a full-time enrollment of 29,000, The University of Western Ontario is a research-intensive university that graduates students from a full range of academic and professional programs. The campus is in London, a city of 340,000 located midway between Toronto and Detroit. With parks, tree-lined streets and bicycle trails, London is known as the "Forest City" (<http://www.city.london.on.ca>). London boasts an international airport, art galleries, theatres, and a variety of music and sporting events.

Interested candidates should submit 1) a CV outlining their research, teaching, leadership and administrative experience and interests, 2) a brief description of proposed future directions and visions for the School, and 3) the names and addresses of three referees to:

**Dr. Carol Herbert, Dean
Faculty of Medicine & Dentistry
Health Sciences Addition
The University of Western Ontario
London, Ontario N6A 5C1
Fax (519) 850-2357**

The competition will remain open until the position is filled.

Positions are subject to budget approval. Applicants should have fluent written and oral communication skills in English. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. The University of Western Ontario is committed to employment equity and welcomes applications from all qualified women and men, including visible minorities, aboriginal people and persons with disabilities.
