## FACULTY POSITION DIVISION OF PERIODONTICS

The Faculty of Dentistry, Dalhousie University, Halifax, Nova Scotia, is seeking applications for a full-time, term appointment of 2 years possibly leading to a tenure-track faculty position at the rank of Assistant, Associate or Full Professor, in the Division of Periodontics in the Department of Dental Clinical Sciences. Qualified candidates may be considered for a tenure-track position.

Responsibilities will include undergraduate teaching, collaborative research, continuing education presentations and associated administrative duties. Depending on the successful applicant's credentials (s)he may be invited to participate in planning a graduate program. The Division collaborates in research with other Divisions, Departments, Faculties, Universities, and the School of Biomedical Engineering.

Academic rank will be based on the successful candidate's qualifications, experience, and achievements. It is expected that the successful applicant will have graduated from an accredited specialty program, or a non-accredited specialty program and hold a Ph.D. The successful applicant will also have demonstrated experience in research, undergraduate and graduate teaching, and administration. Salary and rank will be commensurate with qualifications and experience.

The successful applicant must be eligible for licensure in Nova Scotia. Private practice privilege is integrated with the appointment.

All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. Dalhousie University is an Employment Equity/Affirmative Action employer. The University encourages applications from qualified Aboriginal people, persons with a disability, racially visible persons, and women.

Dalhousie University is one of Canada's leading teaching and research universities, with four professional Faculties, a Faculty of Graduate Studies and a diverse complement of graduate programs. Collaborative and interactive research is encouraged, as is cooperation in teaching among the Faculties. We inspire students, faculty, staff, and graduates to make significant contributions to our region, Canada, and the world. Dalhousie is located in Halifax, Nova Scotia; it is a vibrant capital city, and the business, academic, and medical centre for Canada's east coast.

Review of applications will begin in May 2005. Applicants should submit a letter of application with Curriculum Vitae, up to three reprints of research publications and the names, addresses, and e-mail addresses of three referees to:

## 'NAMGIS DENTAL CLINIC is seeking a DENTIST

We are seeking a highly motivated dentist to operate our modern three-operatory clinic. With an active patient list of 1750, the Namgis Dental Clinic serves the residents of Alert Bay and other northern-Vancouver Island communities. Working with our CDAs and our full-time dental hygienist, the successful candidate will provide a full range of treatment services. An attractive compensation package with a combination of salary and shared billings, plus no overhead, make this an excellent opportunity for someone seeking the rewards and challenges of dentistry without the usual financial stress.

The community of Alert Bay is located in Johnstone Strait, off the northeast tip of Vancouver Island. We offer some of the world's best fishing, whale watching, kayaking, and other outdoor pursuits. The community is also a growing centre for Aboriginal artistic expression in all forms including carving, dance, and other traditions. For more information on the community, please visit [www.alertbay.com](http://www.alertbay.com) and [www.namgis.org](http://www.namgis.org).

**GENERAL DENTIST**

Grenfell Regional Health Services invites applications for the position of permanent general dentist on a full-time basis for northern Newfoundland and southern Labrador, effective April 1, 2005. This is a challenging and interesting area where dental services are provided from regional bases in Newfoundland and travelling clinics on the south Labrador coast. The travelling requirement is approximately 1/3 of the total working time.

Salary for this position is on an 11 point government scale of \$75,433-\$94,916. Initial placement on this scale will be dependent on years of experience. An isolation bonus payment ranging from \$5,000-\$10,000 will be payable upon the completion of 1 full year of service. Currently, a retention incentive of \$10,000 annually, payable bi-weekly, is also in effect.

Fringe benefits include 6 weeks paid leave in a 12 month term. Assistance with relocation and continuing education costs are available. Accommodations are available at a reasonable rate.

Applicants must be eligible for registration with the Newfoundland and Labrador Dental Board. Preference will be given to applicants who are agreeable to working for a minimum 24 month term. Experience in oral surgery is desirable. Experience in general dentistry is essential.

Successful applicant will be required to submit a Certificate of Conduct.

Interested individuals are requested to submit resumes, along with names and addresses of referees, stating competition number, 05.03, to:

**Scott Smith**
