The Hospital for Sick Children, a paediatric academic health science centre affiliated with the University of Toronto, is inviting applications for Chief of the Department of Paediatric Dentistry. This role requires a senior academic clinician with an international reputation, who can provide effective leadership and vision for a dynamic academic and clinical department.

CHIEF, DEPARTMENT OF PAEDIATRIC DENTISTRY

The Department of Dentistry at The Hospital for Sick Children is one of the largest hospital-based combined research, education and paediatric dental treatment facilities in North America. The Department provides dental care for children and adolescents under 18 years whose treatment is best managed in a multidisciplinary hospital environment. The department provides a full range of modern dental specialty services as well as innovative treatment. The dental clinic treats over 14,000 patients and performs over 1,100 surgeries annually.

The Department has a significant educational commitment at the undergraduate, postgraduate and fellowship levels. The Department also provides training to hospital staff, community dentists, physicians and families. This is accomplished through our affiliation with the University of Toronto.

Candidates must be eligible for registration with the Royal College of Dental Surgeons of Ontario. The successful candidate will receive an academic appointment at the University of Toronto. Rank and salary will be commensurate with experience.

Candidates should submit their curriculum vitae, by October 15, 2006, to: **Dr. James Wright, Surgeon-In-Chief, The Hospital for Sick Children, 555 University Avenue, Toronto, ON M5G 1X8.**

The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
