Residency Program In Oral and Maxillofacial Surgery Call for Applications

The Schulich School of Medicine and Dentistry, the University of Western Ontario Faculty of Graduate Studies and the University of Western Ontario affiliated teaching Hospitals are pleased to announce the creation of a residency program in Oral and Maxillofacial Surgery. The program commences on the first of July each year and is of six years duration. One candidate is selected per year.

Candidates for this program must possess a D.D.S. or D.M.D degree from a CDAC accredited university. The MCAT is not required.

The program in Oral and Maxillofacial Surgery is designed to provide candidates with a comprehensive background for the practice of oral and maxillofacial surgery as a speciality, as well as to prepare them for examinations by the Royal College of Dentists in Canada. The program is six years in duration and is a combined MD/MSc degree program. Acceptance into the program includes acceptance into the Oral and Maxillofacial Surgery, medical and graduate studies programs. This program is based out of the London Health Sciences Centre and St. Joseph's Health Care, in London, Ontario. Residents will also rotate through the Schulich School of Medicine and Dentistry affiliated hospitals in Windsor, Ontario.

Course of Study

The program includes extensive training in surgical correction of dentofacial deformities, maxillofacial trauma, maxillofacial pathology, maxillofacial reconstructive surgery, dentoalveolar surgery, implant surgery and ambulatory anesthesia.

Each resident will attend the Medical program at the Schulich School of Medicine and Dentistry.

An important part of the program is devoted to research. Residents will complete and defend an original research project in fulfillment of requirements for a Master of Science degree in Pathology.

Selection Process

Preamble: Our goal is to select an ideal candidate who possesses the aptitudes, skills and experience that will allow him or her to successfully complete a six-year program including an MD degree, a Masters in Science and a residency in Oral and Maxillofacial Surgery.

Application

A completed application will contain:

1. Completed application form.
2. University transcripts (Dental School only).
3. *Curriculum Vitae*.

1. Graduate of a CDAC Accredited Dental School (in Canada or the U.S.)
2. Canadian citizen or landed immigrant
3. Eligible for licensure in dentistry in the province of Ontario
4. NDEB certification www.ndeb.ca/

Process:

1. For admission to the program starting July 1, 2008, applications are invited with the deadline of August 31, 2007.
2. Candidates will be selected for interviews on the basis of:
 - a. GPA of 3.75 or above, or standing in top 10% of dental school class
 - b. Evaluation of references.
 - c. Evaluation of personal letter of intent (1000 words or less).
 - d. Evaluation of CV
3. Acceptance of a candidate will include acceptance into the Oral and Maxillofacial Surgery Program, Medical School (starting in the second year of the OMFS program) and acceptance into Graduate Studies. Acceptance into the residency, Medical School and Graduate Studies are **not** separate processes.
4. Notification of acceptance to Residency in Oral and Maxillofacial Surgery and acceptance to Medical School and Graduate Studies will be made in a timely manner. The successful candidate will be given 5 business days to accept or refuse the offer.
5. The successful candidate will be required to begin an orientation program during the last week of June 2008.

The successful candidate is expected to have established a record of teaching, service and scholarship within a university environment or have sufficient experience/skills and record of academic achievement in the above areas to be placed on a tenure track. The main duties of the position are concentrated in the above areas, however, some involvement in teaching and service is also expected as appropriate to experience and skill sets. Teaching responsibilities will be inter-professional in nature, thus the position is not restricted to a restorative dentist. Candidates from all disciplines are encouraged to apply. Intra/Extramural practice privilege is available two half days per week. Salary and rank will be commensurate with qualifications and experience. Expected date of appointment is October 1, 2007 or soon thereafter.

The University of Manitoba is the largest and most comprehensive institution of higher learning in Manitoba. It serves all parts of the Province, including inner city and suburban areas, rural and northern regions and attracts students from all population groups and walks of life. Considered an area of strength within the University of Manitoba, the Faculty of Dentistry is dedicated to educating dental, dental hygiene and graduate students in a progressive learning environment, conducting research in oral health, and serving the oral health professions and community as a source of knowledge and expertise.

Winnipeg is the largest city in the Province of Manitoba. The city has a rich culture environment, including symphony, opera, dance, theatre, and ethnic festivals. The region provides ample opportunities for outdoor recreation in all seasons. Learn more about Winnipeg at <http://www.winnipeg.ca> and the Province of Manitoba at <http://www.manitoba.ca>.

The University of Manitoba encourages applications from all qualified individuals, including women, members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.

Applicants should forward a letter of interest, curriculum vitae, and three professional references to: **Dr. Igor Pesun, Associate Professor and Head, Department of Restorative Dentistry & Chair, Search Committee, Faculty of Dentistry, The University of Manitoba, D227B-780 Bannatyne Ave., Winnipeg, Manitoba R3E 0W2, Email: Pesun@cc.umanitoba.ca, Phone: (204) 789-3516, Fax: (204) 789-3916.**

For best consideration, applications should be sent as soon as possible and will be accepted until **August 15, 2007** or until position is filled. Please refer to **Position #06083/KE680** in all correspondence.
