ALBERTA - Calgary: Pediatric dental associate position available in Calgary, Alberta, Canada. Calgary is a vibrant city that offers the best of all worlds - a cosmopolitan city of one million with outstanding outdoor adventure and pristine wilderness only an hour away from the Canadian Rockies. You'll find a wealth of cultural attractions, diverse restaurants and award-winning cuisine, parks and pathways, specialty shops and trendy night spots in Calgary. Our wide, blue sky and moderate climate beckons year-round outdoor enthusiasts to golf or hike, fish or mountain bike, ski or dog sled. Our parks offer some of the finest natural areas in North America. Shopping is a paradise - we are the only province in Canada with no provincial sales tax. Our dynamic arts scene will indulge your passion for culture. Our western heritage and legendary hospitality will make you feel welcome. Exceptional opportunity available immediately for a highly motivated and skilled pediatric dentist to join our practice in Calgary, Alberta, Canada. Initially this position will be as an associate, with an opportunity to transition to an equity position and ownership over an agreed period of time. Please contact: Leonard B. Smith, D.D.S., M.Sc., F.A.A.P., F.R.C.D.(C), F.I.C.D., Diplomat of the American Board of Pediatric Dentistry, 314, 10601 Southport Rd. SW, Calgary, AB, T2W 3M6. Phone: (403) 278-8000 or email us at: lbsmith.dentalcareforchildren@shaw.ca. D6283

ALBERTA - Calgary: Full time and part time associate positions available. We are looking for a part and full time associate to join us in the opening of a brand new practice in Panorama Hills NW Calgary. This practice is within the same community as our already established, highly productive family and cosmetic practice -- Northern Hills Dental. We will also require an associate to take over at our established practice for the principle dentist who will be moving over to the new location. This is an outstanding opportunity, in excellent, prime locations, with wonderful staff. Please contact Jodi at:

(403) 532-0711 or email interest to: jodi.thurmeier@northernhillsdental.com. D6886

ALBERTA - Calgary/Edmonton: Experienced associate required for our well-established, busy practices in Calgary. For more information visit our website at: www.ihp.ca or contact Dr. George Christodoulou, tel.: 1 (888) 81SMILE ext. 201, or via email: drgeorge@ihp.ca. D2691

ALBERTA - Edmonton: Associate/dentist required immediately. If you enjoy working in a relaxed environment with a dedicated team, in a multifaceted dental environment, we have the perfect position for you. We offer a well established, six chair, modern family practice in a fast developing community. Our practice has an excellent proactive hygiene program. This position offers three to four days per week. Please fax resume to: (780) 476-7458. D6177

ALBERTA - Edmonton: We urgently require a full-time associate to take over a full patient load. This truly is a unique opportunity for the incoming associate to be immediately busy virtually from day one. Our office is bright, modern and very well equipped. A positive attitude, a sense of humour and some flexibility in scheduling will lead to a very successful and rewarding position for the right individual. Fax: (780) 434-0824. Email: QDental@shaw.ca. D4881

ALBERTA - Edson: Six month full time locum opportunity, commencing February 2010, has the potential to become a permanent position. Well established clinic with dedicated staff, where one can enjoy all aspects of dentistry, including implants. Edson, a vibrant town of 8,000 people, serves a surrounding community of more than 10,000. Edson is situated half way between Edmonton and Jasper; ideal for sharing the amenities of the city and those of the vast outdoors. If you are a proficient clinician who's caring and committed please contact Dr. ShariJean Robinson at: srobin11@telus.net or call:

(780) 723-5221 (work) or: (780) 723-3084 (home). D6507

UNIVERSITY OF TORONTO
FACULTY OF DENTISTRY

The Faculty of Dentistry multidisciplinary Department of Clinical Sciences invites applications for a full-time tenure-stream and a contractually limited position in Restorative Dentistry. The appointments will be at the rank of Assistant/Associate Professor and will begin on July 1, 2010. We seek candidates whose primary responsibility will be to develop an independent research program to complement the existing research in Restorative Dentistry. Responsibilities will include involvement in undergraduate, postgraduate and/or continuing education teaching programs. Restorative Dentistry includes operative dentistry, extra-coronal restorations and esthetic dentistry. Applicants should have: (i) an advanced research degree, preferably a Ph.D. (or equivalent), and potential for high-quality research as a principal investigator in an area related to restorative dentistry (ii) demonstrated excellence in teaching ability and clinical expertise in restorative/operative dentistry; and (iii) eligibility for registration to practice dentistry in the Province of Ontario. Salary to be commensurate with qualifications and experience. Applicants should submit their curriculum vitae and a statement concerning their research and teaching interests (3-5 pages in length). Applicants should arrange to have three letters of reference sent directly to:

Dr. D. Haas, Associate Dean,
Dept. of Clinical Sciences, Faculty of Dentistry, University
of Toronto, 124 Edward St., Toronto, Ontario M5G 1G6
Email: daniel.haas@dentistry.utoronto.ca

Applications will be received until April 1, 2010. The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, aboriginal persons, persons with disabilities, members of sexual minority groups and others who may contribute to further diversification of ideas. All candidates are encouraged to apply; however, Canadian and permanent residents will be given priority. D6527
