#### About the Event and Attendees

The Canadian Dental Association's (CDA) Annual Spring Governance Meetings bring together approximately 100 to 125 influential dental leaders from across Canada, alongside CDA award recipients and special guests. This event serves as a key gathering for the leaders of the dental profession, providing an opportunity to conduct annual business meetings and celebrate the achievements of the profession.

#### Who We Are

Founded in 1902, CDA is an association that has no regulatory role. It is a federally incorporated not-for-profit organization whose corporate members are Canada's provincial and territorial dental associations (PTDAs). CDA represents over 21,000 practising dentists nationwide and is a trusted brand and source of information for and about the dental profession on national and international issues.

#### Vision

A trusted national leader working to improve the oral health of all people living in Canada.

#### **Mission**

As the national voice for dentists, we promote oral health, support our members, and advance the dental profession.

#### **Values**

Trust: We are rooted in honesty, ethical conduct, evidence-informed decisions and building relationships based on transparency.

Collaboration: We work together with our members, stakeholders, and partners, leveraging collective strengths to drive meaningful results for oral health care delivery.

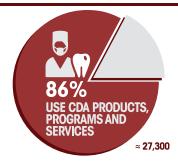

Respect: We foster an environment of inclusivity and understanding, treating everyone with respect and creating a space where diverse perspectives are valued.

Leadership: We bring the profession together at the national level to identify solutions for issues impacting dentistry and the oral health of people living in Canada.

Excellence: We consistently strive for the highest standards, using best practices and continuous improvement to deliver exceptional quality in everything that we do.
