

Beneva Insurance Cards

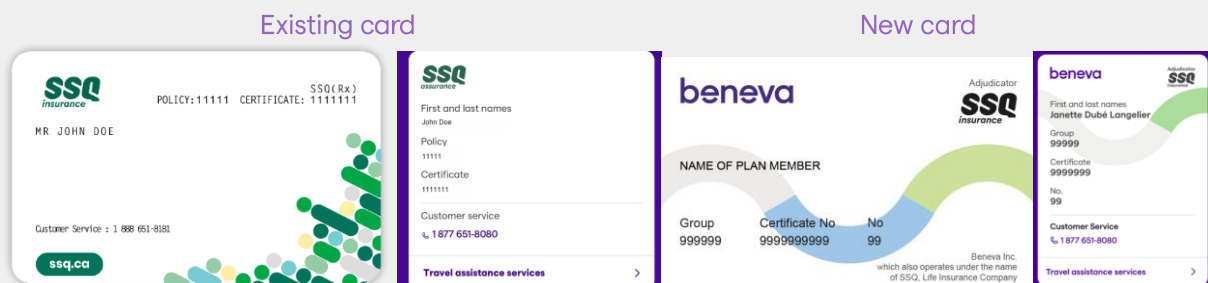

Context

As you may know, SSQ Insurance and La Capitale joined forces in 2020 to form Beneva. Plan members insured by Beneva may be covered under one of two options: either **SSQ Insurance as adjudicator**, or **TELUS Health**. As part of the brand harmonization process, the SSQ Insurance card is being updated this spring, 2026. This document serves as a guide for the various insurance cards you may be presented with for claims by Beneva plan members.

Insurance Cards

Beneva-SSQ Insurance adjudicator (formerly branded SSQ Insurance).

- Dental offices can use carrier ID 000079.
- Existing SSQ Insurance branded cards will remain in circulation, both cards remain valid and should be processed the same way.
